

# Water Ways

The Bayou Teche Paddle Trail is a little more kayak and canoe friendly, thanks to the University of Louisiana at Lafayette's Center for Louisiana Studies.

The center steered a dock's design that makes it easy for paddlers to get in and out of kayaks and canoes. The dock's design makes it easy for paddlers to get in and out of kayaks and canoes.

Created in 2012, the dock's design makes it easy for paddlers to get in and out of kayaks and canoes.

Service for local endeavors to keep them clean and sustainable.

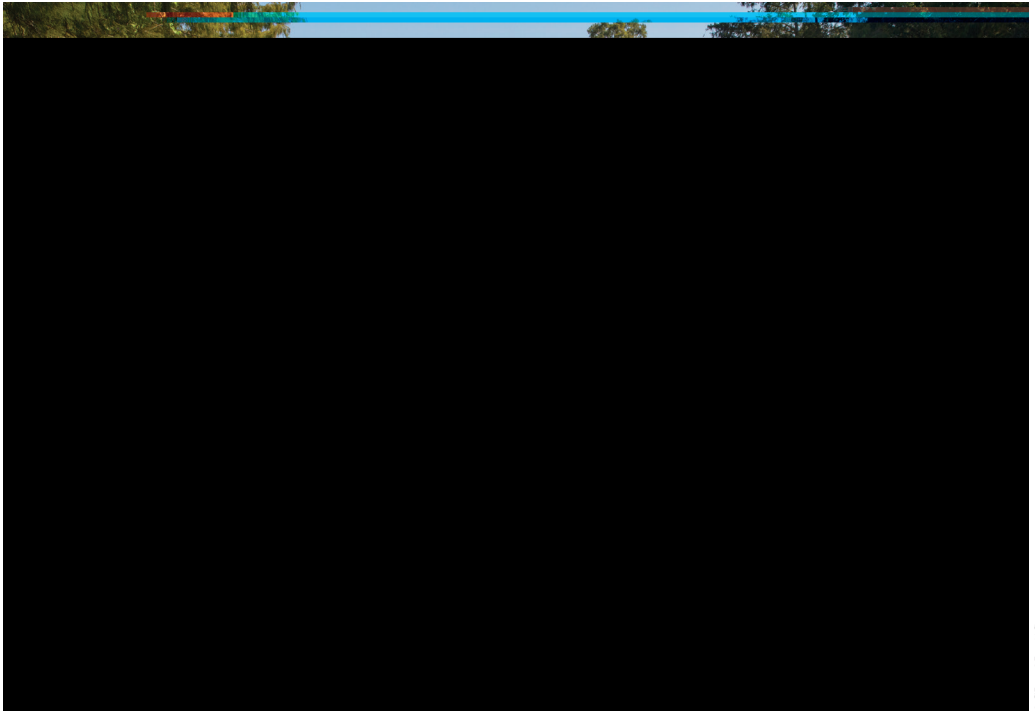

Each of the four docks will become property of their respective cities or, in the case of the dock in Charenton, the Chitimacha Tribe of Louisiana. The dock in the small community sits on the tribe's reservation. Each of the four
